

# SAGE PLEDGE

---

## **Our SAGE Pledge for circularity in development of our staged environments.**

We pledge to integrate circularity principles into the development of our exhibitions. We commit to engaging our team in pursuit of the 5Rs of circularity: Rethink, Refuse, Reduce, Reuse and Recirculate.

With a circular approach to the production of our exhibitions, we will reduce and eliminate waste and the associated greenhouse gas emissions.

This is our commitment.
